Title: A recent Encounter

Author:

This day the Chapel
was visited by a
strange spector...
Myself,
Rhyssand, Jasper,
and Orion Greenwood
took witness to it.
Using my skills
from long ago to
communicate with
the dead, I listened
to the spector's
definitive
words...

The spirit spoke: "I am
Khand, God of all
Gods."

He spoke of
twenty-four Gods are
to come... And he
named them:

"Fehu, Uruz,
Perisaz, Anuez,
Raido, Kaunez, Gebo,
Hagalaz, Wungu,
Nauduz, Isa, Jera,
Laguz, Ehwaz,
Sowilo, Mannaz,
Tiwaz, Berkana,
Inguz, Eihwaz, Dagaz,
Perpo, Opila,
Algiaz!"

"The Twenty Four
Gods!"

I am unsure of the
order, but I think this
is close... I know not
whether the order is
even important, and I
know not what this
message means...
